

ZM 65 FIPS

**Strong. Compact.  
Extremely smart.**

## UEZ ZM 65 FIPS Compulsory Mixer

The tough compact compulsory mixer for smart working.

FIPS is the compact light version of the compulsory mixer (weight: only 50 kg) with extendable mixer and interchangeable plastic mixing container with a volume of 65 litres.

The machine is fitted with a high-performance 1.1 kW 230 volt motor (maintenance-free) and designed for approx. 50 kg mixture. The ZM 65 FIPS mixes low-viscosity to damp-proof materials and also sticky materials and resins intensively and consistently.

- Working assistance
- Time-saving
- All-purpose use
- Easy handling
- Intensive, homogeneous mixture
- Maintenance-free
- Eco-friendly
- Compact, steady construction
- State-of-the-art safety installations
- CE certified
